

## **Material Safety Data Sheet**

### **SECTION I: Product and Company Identification**

#### **1.1 Product identifiers**

**Product name:** 10x Casein Blocking and Diluting Solution

**Product Number:** D6201

**Brand:** MEDNA™

#### **1.2 Relevant identified uses of the substance or mixture and uses advised against**

**Identified uses:** For research use.

#### **1.3 Details of the supplier of the safety data sheet**

**Company:** MEDNA Scientific™

1551 Corporate Drive

Irving, TX 75038

Office: 469-496-8847

**Emergency phone number:** 469-496-8847

### **SECTION II: Hazards identification**

#### **2.1 Classification of the substance or mixture**

**GHS Classification in accordance with 29 CFR 1910 (OSHA HCS)**

Not dangerous.

#### **2.2 GHS Label elements, including precautionary statements**

Not dangerous.

#### **2.3 Other hazards**

No additional information available.

### **SECTION III: Composition/information on ingredients**

No ingredients are hazardous according to OSHA criteria.

### **SECTION IV: First aid measures**

#### **4.1 Description of first aid measures**

##### **If inhaled**

Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel.

Get immediate medical attention

##### **In case of skin contact**

Immediately wash skin with soap and plenty of water for at least 15 minutes. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.

##### **In case of eye contact**

Hold eyelids apart and flush eyes with plenty of water for at least 15 minutes. Have eyes examined and tested by medical personnel.

**If swallowed**

Wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel.

**4.2 Important Symptoms and Effects, Both Acute and Delayed:**

To the best of our knowledge, the chemical, physical and toxicological properties have not been thoroughly investigated.

**4.3 Indication of any immediate medical attention and special treatment needed**

Symptoms may not appear immediately. In case of accident or if you feel unwell, seek medical advice immediately (show the label or SDS where possible).

**SECTION V: Firefighting measures****5.1 Flammable properties**

Not flammable.

**5.2 Flash point**

Not determined.

**5.3 Suitable extinguishing media**

Use for surrounding material.

**Unsuitable extinguishing media**

None known

**5.4 Protective equipment and precautions for firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear to prevent contact with skin and eyes. Keep upwind of fire.

**SECTION VI: Accidental release measures****6.1 Personal precautions, protective equipment and emergency procedures**

Avoid breathing vapors and provide adequate ventilation. As conditions warrant, wear a NIOSH approved self-contained breathing apparatus, or respirator, and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).

**6.2 Environmental precautions**

Prevent material from entering drains and water courses.

**6.3 Methods and materials for containment and cleaning up**

Contain spill and collect, as appropriate.

Transfer to a chemical waste container for disposal in accordance with local regulations

**SECTION VII: Handling and storage****7.1 Precautions for safe handling**

Handle in accordance with good industrial hygiene and safety practice.

**7.2 Conditions for safe storage, including any incompatibilities**

Keep containers tightly closed in a dry, cool and well-ventilated place.

**SECTION VIII: Exposure controls/personal protection**

## 8.1 Control parameters

This product does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

## 8.2 Exposure controls

### Appropriate engineering controls

Use ventilation adequate to keep exposures (airborne levels of dust, fume, vapor, etc.) below recommended exposure limits

### Personal protective equipment

#### Eye/face protection

Safety glasses or goggles are recommended when handling product.

#### Skin and body protection

Wear suitable protective clothing.

#### Respiratory protection

Not normally needed. In case of insufficient ventilation, wear suitable respiratory equipment.

#### Environmental exposure controls

Maintain levels below Community environmental protection thresholds

#### Other information

Do not eat, smoke or drink where material is handled, processed or stored. Wash hands carefully before eating or smoking. Handle according to established industrial hygiene and safety practices.

## SECTION IX: Physical and chemical properties

### 9.1 Basic physical and chemical properties

- a) Appearance Form: Colorless
- b) Odor: No data available
- c) Odor threshold: No information available
- d) pH: No information available.
- e) Physical state at 20 degrees C: Liquid
- f) Flash point: No information available
- g) Decomposition temperature: No information available.
- h) Flammability limits in air: No information available.
- i) Explosion limits: No information available.
- j) Specific gravity: No information available.
- k) Solubility: No information available.
- l) Evaporation rate: No information available
- m) Vapor Pressure @20°C (kPa): No information available
- n) Vapor density: No data available
- o) VOC Content(%): Not applicable

### 9.2 Other safety information

No data available

## SECTION X: Stability and reactivity

### 10.1 Reactivity

Stable under recommended transport or storage conditions.

**10.2 Chemical stability**

Stable under recommended storage conditions

**10.3 Possibility of hazardous reactions**

Hazardous reactions will not occur under normal transport or storage conditions.

Decomposition may occur on exposure to conditions or materials listed below.

**10.4 Conditions to avoid**

Acidic pH.

**10.5 Incompatible materials**

Strong oxidizers. May react with lead and copper plumbing to form highly explosive metal azides.

**10.6 Hazardous decomposition products**

Carbon monoxide, carbon dioxide, nitrogen oxides.

**SECTION XI: Toxicological information**

**Acute toxicity:** Product does not present an acute toxicity hazard based on known or supplied information.

**Chronic toxicity:** None known.

**SECTION XII: Ecological information****12.1 Toxicity**

This product is not expected to produce significant ecotoxicity upon exposure to aquatic organisms and aquatic systems.

**12.2 Persistence and degradability**

No data available

**12.3 Bioaccumulative potential**

No data available

**12.4 Mobility in soil**

No data available

**12.6 Other adverse effects**

No data available

**SECTION XIII: Disposal considerations****13.1 Waste treatment methods****Product**

Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation

**Contaminated packaging**

Do not reuse empty containers.

**SECTION XIV: Transport information****DOT (US)**

Not dangerous goods

**IMDG**

Not dangerous goods  
**IATA**  
Not dangerous goods  
**RID/ADR**  
Not regulated.

**SECTION XV: Regulatory information****15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture**

**TSCA (Toxic Substances Control Act):** Not applicable

**SARA302:** Not applicable

**SARA313:** Not applicable

**SARA311/312:** Not applicable

**CERCLA Reportable Quantity:** Not applicable

**California Proposition 65:** Not applicable

**15.2. Chemical safety assessment**

A Chemical Safety Assessment has not been made for this product.

**SECTION XVI: Other information****Further information**

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product regarding appropriate safety precautions. It does not represent any guarantee of the properties of the product. MEDNA Scientific shall not be held liable for any damage resulting from handling or from contact with the above product.
